Overview

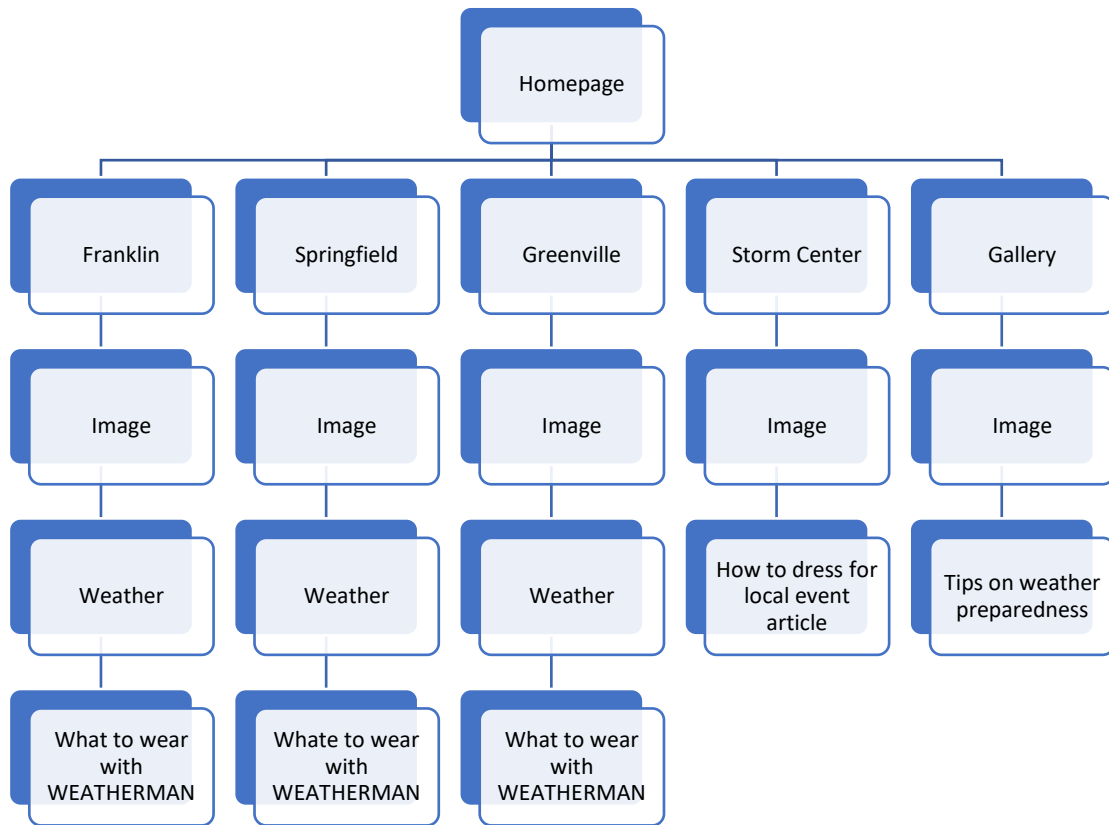

Site Purpose

The purpose of this site is to present weather information in a fun and engaging manner. The site will contain current weather conditions as well as the 10-day forecast to the communities of Franklin, Springfield and Greenville. A special focus of the site will be to give users hints on tips on how to prepare for the different weather conditions such as what to wear to work, school and for outdoor activities.

Target Audience

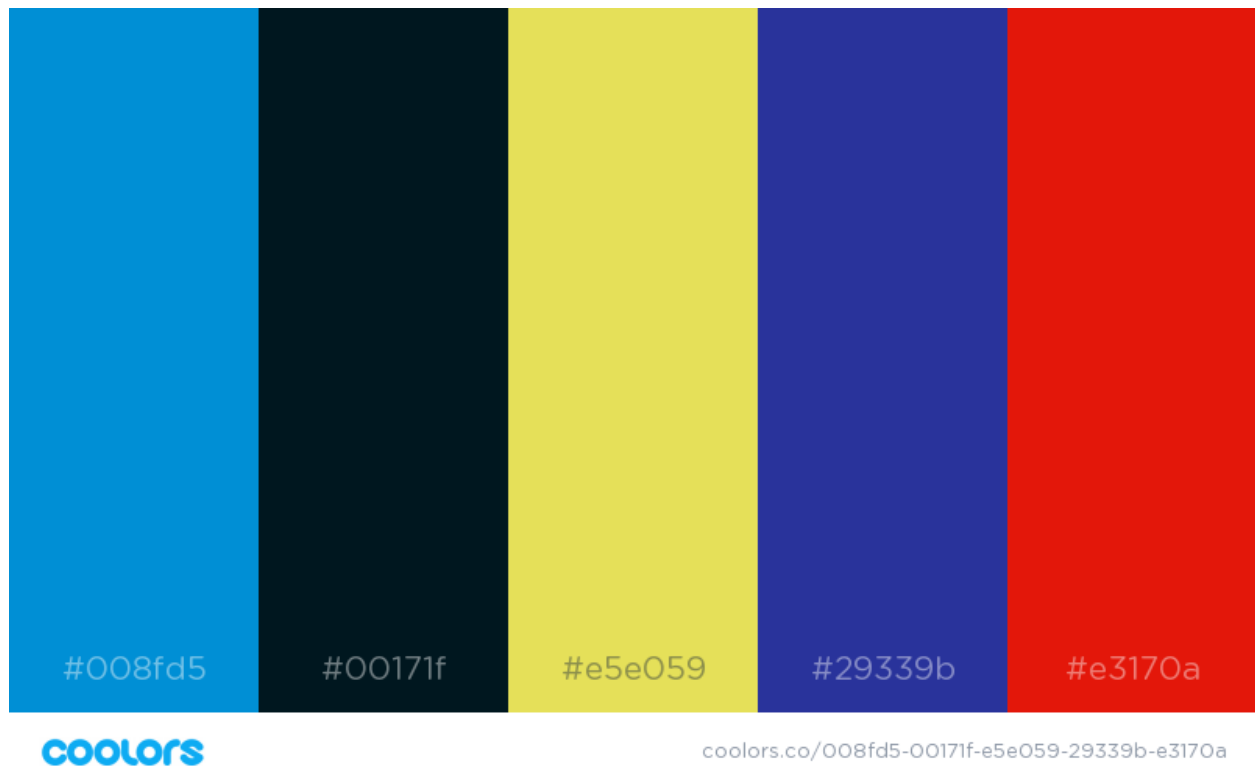

- **Who:** Members of the communities of Franklin, Greenville, and Springfield.
- **Age:** Any age using a website, or mobile device.
- **Technology:** For use with any computer or mobile device.
- **Motivation:** Residents looking to prepare for a day out or an afternoon backyard party will want to take a look at this site for accurate current and forecasted conditions.
